Dear PROSHARE Prayer Team Partner,

Please enjoy Jeff Neal's report from his recent visit to Hancock County Jail in Bay St. Louis, MS.

*"In addition to the 6 pods of inmates, I had the opportunity to share the Good News with a 15-year-old young man. I was asked, between events, if I would be willing to talk to a juvenile who had just been admitted to the county jail as an adult. This teenager had been in previous trouble for auto theft and illegal possession of a firearm. However, this time he was being charged as an adult because he had stabbed a member of his family. I was able to share the Gospel with this young man who was lost. I told him that this was a pivotal moment for him that could determine how he would live the rest of his life and for all eternity. He let me pray for him, and he expressed his gratitude for taking the time to meet with him on an individual basis. I am grateful that PROSHARE can take the time to meet with groups of any size. God was willing to leave the 99 for the one."*
