Dear PROSHARE Prayer Team Partner,

Our Pro's have unique challenges including verbal misbehavior and disruptions in the jails. Usually things settle down after a few minutes as they begin sharing. At the recent Seward Unit visit, 3 pods were over 50% Hispanic. Realizing that many of these inmates did not speak English, John asked for a translator. And the Lord provided! One of the bilingual inmates in those pods volunteered to translate the message! John said that it took a little longer, but 75% of those who heard the Gospel *through the translator* received Jesus! Praise the Lord!
